**Special terms and conditions-Version:4 effective from 14-03-2024 for category Ayurvedic Classical Medicines - Arishta**

1.

1. All Provision of Drugs & Cosmetic Act 1940 as amended till date and rules made there under and all rules and regulations issued by Ministry of AYUSH will always be applicable.
2. Only CPSEs/State PSUs/State Pharmacies/Co-operatives are allowed to upload their products for sale based on authorization letter of these manufacturers from State Ayush Department/National Ayush Mission at the time of vendor assessment process.
3. The sellers are allowed to register on GeM and exempted from the Vendor Assessment process based on the submitted copy of a valid Manufacturing Drug License for the medicine(s) certified by the issuing authority. Buyers must mandatorily ask for submitting the relevant valid drug license and other regulatory documents applicable with the bid. Buyers must also check and validate the details e.g., validity, authenticity/genuineness, name of the drug/medicine under procurement, the license issuing authority etc. at their end.
4. The purchase shall be made through Bidding/RA only irrespective of the value.
5. Manufacturer shall have a valid own manufacturing license issued by the competent drug licensing authority defined under the Drugs and Cosmetics Act 1940 and Rules made there under as amended till date. (If revalidation of drug license has been applied for, the buyer shall be informed accordingly and the copy of application to State Drug / Licensing authority must be submitted with a certificate that application for renewal was made within time frame as per Drug and Cosmetic Act as amended up to date and that has not been deleted by drug licensing authority.)
6. Loan license arrangement shall not be allowed under any circumstances.
7. Medicines must fully comply in all respect with the technical specifications and in accordance with the Pharmacopoeia standards wherever applicable.
8. Each batch of the medicines shall be got tested by the seller from the laboratories approved by State Drug controllers / run by State Government/NABL accredited lab/Government Approved Lab and shall be dispatched along with these test reports.
9. **INSPECTION & QUALITY TESTING**

a) Medicines shall continue to conform to the description and the quality during the shelf life from the date of delivery of the medicines to the buyer and notwithstanding the fact that the buyer may have inspected and or approved the said medicines.

b) The buyer has the right to inspect, test and where necessary reject the medicines after arrival at the final destination shall in no way be limited or waived by reason of the medicines having previously been inspected, tested and passed by the buyer or his authorized representative prior to the medicines dispatch from the place of manufacture or arrival as the case may be.

c) If any inspected or tested medicines fail to conform to the specifications, the buyer may reject them and the seller will remove the rejected medicines at its own cost.

d) During the shelf-life period, the consignees shall be at liberty to draw samples and send it to laboratories approved by State Drugs controllers / run by State Government/NABL approved laboratories/ Government Approved Lab without any intimation to the seller. If found "Not of Standard Quality", (the decision of the buyer in this behalf will be final and conclusive), the buyer will be entitled to reject the said medicines of such portion thereof as may be discovered not conforming to the said description and quality upon testing. The seller shall have to replace the rejected batches (unused quantity) with fresh batches within 3 months or refund the cost of the rejected medicines to the buyer, if so, decided by him. In the event of replacement of rejected medicines by the seller, all the above

mentioned provision shall apply to the new medicines replaced from the date of replacement thereof, otherwise the seller shall pay to the buyer such damages as may arise by the reasons of the breach of the conditions here in contained and the facts will be notified to the Drugs Controller of India/State Drug Controller for taking necessary action.

e) In case any medicines are found substandard either at the inspection stage or during the shelf life of the medicines, the report of the Government approved/NABL accredited laboratory shall be accepted by the seller. If the same is disputed by the seller giving the reasons, the sample will be sent to the designated appellate Lab (Pharmacopoeia commission for Indian medicine & Homeopathy) for the purpose and the report of the same will only be accepted as final and conclusive report. De-registration / debarment action will be taken against the seller according to the category-A and category-B defects as per guidelines issued by the Ministry of Health & Family Welfare.

f) The cost of post-delivery inspection and testing will be borne by the buyer. However, inspection & testing charges for the failed batches shall be borne by the seller.

g) In the event of the samples of medicines supplied fails in quality tests or found to be not as per specifications, the buyer will send second sample to the 2nd Govt. approved /NABL accredited lab. If the second sample fails, the batch will be rejected but if the second sample passes then third sample will be sent to the designated Appellate lab for the medicines and decision of the Appellate lab will be final.

h) In the event of the samples of medicine supplied finally fail in quality tests or found to be not as per specifications, the seller will have to replace the rejected batch with fresh stock duly inspected within 3 months. If not replaced, the buyer will be at liberty to purchase from other source and recovery to be made from the seller and action to blacklist the company/cancellation of the Drug license will also be initiated.

## 10. Warranty
