1. Experience Criteria: In respect of the filter applied for experience criteria, the Bidder or its OEM of the product offered bid {themselves or through reseller(s)} should have regularly, manufactured and supplied same or similar Category any Central / State Govt Organization / PSU for number of Financial years as indicated above in the bid document before opening date. Copies of relevant contracts and delivery acceptance certificates like CRAC to be submitted along with support of having supplied some quantity during each of the Financial year. In case of bunch bids, the category of product having highest value should meet this criterion.

2. OEM Turn Over Criteria: The minimum average annual financial turnover of the OEM of the offered product during three years, ending on 31st March of the previous financial year, should be as indicated in the bid document. Documentary evidence in the form of certified Audited Balance Sheets of relevant periods or a certificate from the Chartered Accountant indicating the turnover details for the relevant period shall be uploaded with the bid. In case the date of incorporation of the OEM is less than 3 year old, the average turnover in respect of the completed financial years after of constitution shall be taken into account for this criteria.

3. Purchase preference to Micro and Small Enterprises (MSEs): Purchase preference will be given to MSEs having valid Certificate and whose credentials are validated online through Udyam Registration portal as defined in Public Procurement for Micro and Small Enterprises (MSEs) Order, 2012 dated 23.03.2012 issued by Ministry of Micro, Small and Medium and its subsequent Orders/Notifications issued by concerned Ministry. If the bidder wants to avail themselves of the preference, the bidder must be the manufacturer / OEM of the offered product on GeM. In respect of bid for Services must be the Service provider of the offered Service. Traders are excluded from the purview of Public Procurement Policy for Micro and Small Enterprises and hence resellers offering products manufactured by some other OEM are not eligible for purchase preference. Relevant documentary evidence in this regard shall be uploaded along with the bid in respect of offered product or service, and Buyer will decide eligibility for purchase preference based on documentary evidence in case of product bids, whereas in case of services the eligibility is automatically validated. If L-1 is not an MSE and (s) has / have quoted price within $L-1 + 15\%$ (Selected by Buyer) of margin of purchase preference /price band defined in relevant policy, such MSE Seller shall be given opportunity to match L-1 price and contract will be awarded for 25% (Buyer) percentage of total quantity. The buyers are advised to refer the [OM No.1 4 2021 PPD dated 18.05.2023](#) for concurrent application of Public Procurement Policy for Micro and Small Enterprises Order, 2012 and Public Procurement (Preference to Make in India) Order, 2017. Benefits of MSE will be allowed only if seller is validated on-line in GeM portal as validated and approved by Buyer after evaluation of documents submitted.

4. Estimated Bid Value indicated above is being declared solely for the purpose of guidance on EMD amount and for the Eligibility Criteria related to Turn Over, Past Performance and Project / Past Experience etc. This has no relevance on the price to be quoted by the bidders and is also not going to have any impact on bid participation. Also this is not used as a criteria in determining reasonableness of quoted prices which would be determined by the buyer based on assessment of reasonableness and based on competitive prices received in Bid / RA process.

5. Past Performance: The Bidder or its OEM {themselves or through re-seller(s)} should have supplied same or similar Products for 10% of bid quantity, in at least one of the last three Financial years before the bid opening date to any Central / State Govt Organization / PSU. Copies of relevant contracts (proving supply of cumulative order quantity in any one Financial year) to be submitted along with bid in support of quantity supplied in the relevant Financial year. In case of bunch bids, category related to primary product having highest bid value should meet this criterion.

- Product Verification
- Requirement of OEM Logo
- Operating System - OEM/Publisher Status

Each supplied Device shall bear a unique device serial number or other device identifier traceable to the OEM. The Buyer/Consignee shall be able to verify the authenticity of the supplied product including the configuration through the OEM website.

Buyers shall not prescribe a requirement for embossing, engraving, printing or affixing the OEM name/logo on the motherboard or any internal component. There shall be no mandatory requirement that the OEM of the offered device be a Microsoft Device Partner or hold any specific Microsoft authorisation. If an Operating System other than Microsoft Windows is offered, no specific pre-qualification status or authorisation from the concerned Operating System publisher/manufacturer shall be mandated.

4	Operating System - Licensing	Where Microsoft Windows is supplied, it shall be a genuine, legally licensed copy of the Windows edition/version declared in the catalogue. The licence shall be obtained through a licensing or distribution mechanism approved by Microsoft. Where any other Operating System is supplied, it shall conform to the applicable licensing terms and conditions of the concerned Operating System publisher/provider, wherever licensing is applicable. Where Microsoft Windows is supplied pre-installed, the Buyer/Consignee shall be able to verify that the supplied Windows Operating System is genuine and activated through the OEM, i.e. Microsoft. A valid digital licence or any other licensing mechanism permitted by Microsoft for the supplied device shall be acceptable. Where any other Operating System is supplied, similar verification of licence authenticity and/or activation status shall be required only where the concerned Operating System publisher/provider provides a device-level equivalent verification mechanism. Where no such verification mechanism is provided, this requirement shall not apply.
5	Operating System - Verification	
6	Operating System - Applicability	The requirements relating specifically to Microsoft Windows licensing, activation and verification shall apply where Microsoft Windows forms part of the computer configuration. Where an Operating System other than Microsoft Windows is supplied, the applicable licensing requirements of the concerned Operating System publisher/provider shall be complied with, and verification of licence authenticity and/or activation shall be required only where such verification is supported by the concerned Operating System publisher/provider.
7	Operating System-specific Certification / Compatibility	Hardware compatibility certificate prescribed by a particular Operating System publisher/provider may be requested by buyers. Each physical USB port shall be declared only once under the highest interoperability capability supported by that port. The same physical port shall not be declared under multiple USB generations/types merely because of backward compatibility. A technically backward-compatible higher-generation version of a prescribed USB/interface standard may be offered where it meets or exceeds the functional and performance of the prescribed standard and complies with all other requirements.
8	USB Port Declaration / Higher Interface Standard	
9	Warranty	The warranty applicable to the supplied Device shall be as specified/seller's standard product and reflected in the resultant contract. The applicable warranty shall be verifiable through the OEM website, OEM customer support facility or warranty certificate/tag provided by the OEM. Installation requirements, wherever applicable, shall be specified by the Seller in the bid under the Installation, Commissioning and Testing (ICT) clause. If installation is stipulated in the bid, the Seller shall be responsible for installing the complete system and for demonstrating its satisfactory functioning to the Buyer/Consignee or the Buyer's authorised representative.
10	Scope of Installation	In the case of Direct Purchase and L1 Purchase, installation of the computer system by the Seller/OEM is mandatory. Installation shall be limited to the supplied computer system and shall not include supply or installation of separately procurable software such as antivirus, office productivity software, etc., unless such software forms part of the computer system scope through an appropriate GeM category.
11	Buyer/Consignee Obligations for Installation	Where installation is included in the resultant contract, the Buyer/Consignee shall provide reasonable access to the installation location and make available necessary site infrastructure, including power supply, networking and other preparation requirements not forming part of the Seller's contractual scope. Necessary entry/gate passes, where required, shall be facilitated by the Buyer/Consignee.
12	Acceptance of Supplies	Before acceptance and generation of CRAC, the Buyer/Consignee may verify, if appropriate, that the supplied device conforms to the contracted specific configuration, quantity and warranty requirements and is free from apparent physical damage or defects. The supplied product shall be new, unused and not refurbished. The Buyer/Consignee may verify the packaging, supplied accessories/documentation, installed operating system where applicable and device serial number/identifier, contracted configuration and applicable
