Special terms and conditions-Version:8 effective from 09-09-2026 for category High End Desktop Comp

1.

1. Category Specification / MeitY Model Technical Specification / ATC Restrictions
The category has been created in accordance with the Model Tech by the Ministry of Electronics and Information Technology (MeitY) 43/4/2020-IPHW dated 19.08.2024 and is based on the parameters shall not prescribe, through Buyer Added ATCs, any technical parameters for a particular processor, processor brand, processor manufacturer or restricts or overrides the Category Specifications. Clause 2(e) of the Terms and Conditions (GTC) shall apply accordingly.
2. Product Verification
Each supplied Device shall bear a unique device serial number or identifier traceable to the OEM. The Buyer/Consignee shall be able to verify the authenticity of the supplied product including the configuration through the OEM website.
3. Requirement of OEM Logo
Buyers shall not prescribe a requirement for embossing, engraving or printing the OEM name/logo on the motherboard or any internal component.
4. Operating System - OEM/Publisher Status
There shall be no mandatory requirement that the OEM of the offered Device is a Microsoft Device Partner or hold any specific Microsoft authorisation. If an Operating System other than Microsoft Windows is offered, no specific partner from the concerned Operating System publisher/provider shall be required. Where Microsoft Windows is supplied, it shall be a genuine, legally activated copy of the Windows edition/version declared in the category specification. Where any other Operating System is supplied, it shall comply with the terms and conditions of the concerned Operating System publisher/provider. Where Microsoft Windows is supplied pre-installed, the Buyer/Consignee shall verify that the supplied Windows Operating System is genuine and traceable to the OEM, i.e. Microsoft. A valid digital licence or any other licensing mechanism by Microsoft for the supplied device shall be acceptable. Where an Operating System other than Microsoft Windows is supplied, similar verification of licence authenticity and/or activation shall be required only where the concerned Operating System publisher/provider provides a device-level or equivalent verification mechanism. Where no such verification is provided, this requirement shall not apply.
5. Operating System - Licensing
Where Microsoft Windows is supplied, it shall be a genuine, legally activated copy of the Windows edition/version declared in the category specification. Where any other Operating System is supplied, it shall comply with the terms and conditions of the concerned Operating System publisher/provider. Where Microsoft Windows is supplied pre-installed, the Buyer/Consignee shall verify that the supplied Windows Operating System is genuine and traceable to the OEM, i.e. Microsoft. A valid digital licence or any other licensing mechanism by Microsoft for the supplied device shall be acceptable. Where an Operating System other than Microsoft Windows is supplied, similar verification of licence authenticity and/or activation shall be required only where the concerned Operating System publisher/provider provides a device-level or equivalent verification mechanism. Where no such verification is provided, this requirement shall not apply.
6. Operating System - Verification
The requirements relating specifically to Microsoft Windows licensing verification shall apply where Microsoft Windows forms part of the configuration. Where an Operating System other than Microsoft Windows is supplied, similar verification of licence authenticity and/or activation shall be required only where the concerned Operating System publisher/provider provides a device-level or equivalent verification mechanism. Where no such verification is provided, this requirement shall not apply.
7. Operating System - Applicability
The requirements relating specifically to Microsoft Windows licensing verification shall apply where Microsoft Windows forms part of the configuration. Where an Operating System other than Microsoft Windows is supplied, similar verification of licence authenticity and/or activation shall be required only where the concerned Operating System publisher/provider provides a device-level or equivalent verification mechanism. Where no such verification is provided, this requirement shall not apply.
8. Operating System-specific Certification / Compatibility
Hardware compatibility certificate prescribed by a particular Operating System publisher/provider may be requested by buyers.
9. USB Port Declaration / Higher Interface Standard
Each physical USB port shall be declared only once under the highest speed supported by that port. The same physical port shall not be counted as multiple generations/types merely because of backward compatibility. A technically compatible higher-generation version of a prescribed USB/interface shall be offered where it meets or exceeds the functionality and performance standard and complies with all other Category requirements.
10. Warranty
The warranty applicable to the supplied Device shall be as specified by the OEM and reflected in the resultant contract. The applicable warranty shall be available on the OEM website, OEM customer support facility or warranty certificate from the OEM.

		Installation requirements, wherever applicable, shall be specified under the Installation, Commissioning and Testing (ICT) clause. Where stipulated in the bid, the Seller shall be responsible for installation and for demonstrating its satisfactory functioning to the Consignee's authorised representative.
11	Scope of Installation	In the case of Direct Purchase and L1 Purchase, installation of the Seller/OEM is mandatory.
		Installation shall be limited to the supplied computer system and installation of separately procurable software such as antivirus software, etc., unless such software forms part of the contracted supply appropriate GeM category.
12	Buyer/Consignee Obligations for Installation	Where installation is included in the resultant contract, the Buyer/Consignee shall provide reasonable access to the installation location and make available the necessary infrastructure, including power supply, networking and other site-specific requirements not forming part of the Seller's contractual scope. Necessary entry and access, if required, shall be facilitated by the Buyer/Consignee.
13	Acceptance of Supplies	Before acceptance and generation of CRAC, the Buyer/Consignee shall ensure that the supplied device conforms to the contracted specifications, configuration, quantity and warranty requirements and is free from damage or defects. The supplied product shall be new, unused and unopened. The Buyer/Consignee may verify the packaging, supplied accessories/components, operating system where applicable, unique device serial number/ID and applicable warranty.
14	HDD/SSD Storage Retention	Where required on account of information-security or data-retention, the Buyer may prescribe an appropriate contractual condition under A procurement via bids) regarding retention of storage media such as HDD/SSD in the supplied device.
15	Availability of Monitor	Supply of the monitor shall be governed by the applicable Category specification "Availability of monitor". Any specifications or requirements relating to the monitor shall apply only where a monitor forms part of the contracted configuration.
16	Configuration Alteration - Seller	The configuration supplied shall conform to the configuration offered in the resultant contract and shall be supported/authorised by the OEM. Any alteration or substitution of components which results in device non-compliance with the configuration or affects OEM warranty/support. The machine should be supplied in its original, factory-approved configuration.
17	Service Escalation Matrix	The Seller shall provide appropriate contact details and an escalation matrix for warranty/service support to the Buyer/Consignee at the time of delivery.

क्रेता द्वारा जोड़ी गई बिड की विशेष शर्तें/Buyer Added Bid Specific Terms and Conditions

1. Generic

OPTION CLAUSE: The Purchaser reserves the right to increase or decrease the quantity to be ordered up to 25% at the time of placement of contract. The purchaser also reserves the right to increase the ordered quantity up to 25% of the contracted quantity during the currency of the contract at the contracted rates. The delivery period of quantity ordered shall be the last date of original delivery order and in cases where option clause is exercised during the extended delivery period, the time shall commence from the last date of extended delivery period. The additional delivery time shall be (Increase in Original quantity) × Original delivery period (in days), subject to minimum of 30 days. If the original delivery period is 30 days, the additional time equals the original delivery period. The Purchaser may extend this calculated delivery period while exercising the option clause. Bidders must comply with these terms.
