10	**Make in India (MII):** Local content' means the amount of value added in India which shall be the total value of the goods, services or works procured (excluding net domestic indirect taxes) minus the value of imported content in the goods, services or works (including all customs duties) as a proportion of the total value, in percent. **Explanatory notes for calculation of local content given above*:*** i. Imported items sourced locally from resellers/distributors shall be excluded from calculation of local content. ii. The license fees/royalties paid/ technical charges paid out of India shall be excluded from local content calculation. iii. Procurement/Supply of repackaged/refurbished/rebranded imported products as understood commonly shall be treated as reselling of imported products and shall be excluded from calculation of local content. The definition of repackaged/ refurbished/ rebranded imported products is as follows: 'Refurbishing' means repair or reconditioning of an imported product does not amount to manufacture because no new goods come into existence. 'Repackaging' means repacking of imported goods from bulk pack to smaller packs would not ordinarily amount to manufacture of a new item. 'Rebranding' means relabelling or renaming or change in symbol or logo/makes or corporate image of a company/organization/ firm for an imported product would amount to rebranding. iv. For items sold by bidder as reseller, OEM certificate for country of origin to be submitted. v. For contracts involving supply of multiple items, weighted average of all items to be taken while calculating the local content. **In such tenders, bidders should quote percentage of local content against each item of the bid.** In case of item-wise tenders, where evaluation is done for each item and each item is awarded to L1 bidder for that item, the aforesaid procedure shall be followed item-wise. If negotiation happens with the L1 bidder, the margin of purchase preference (L1+20%) should be calculated based on the original L1 price, not the lower negotiated price, and such eligible Class-I Local Suppliers shall be called to match the new negotiated L1 price as per procedure mentioned above. *Declaration of Local Content is a self-certification which is submitted by a bidder clearly indicating the following details (**Annexure-8**):* · *Description of Goods and Services offered.*

- *Whether meeting Class-I/Class-II/Non-Local Supplier as per tender terms and conditions.*
- *Location at which local value addition is made.*

In case aforesaid Certificate furnished by Contractor/Vendor is not in line with the declaration in respect of Local Content in their bid, same shall be treated as false declaration. In such cases, a penalty up to 10% of the contract value may be imposed. However, contract once awarded shall not be terminated on this account.

A supplier who has been debarred / banned/ **suspended in GeM/ tendering portal** by any other procuring entity for violation of PPP-MII Order shall not be eligible for evaluation/ preference, as applicable for the duration of the debarment. A confirmation in this regard shall be submitted by the Bidder along with the bid. In case of debarment by NTPC, such Supplier shall not be eligible for evaluation. In case of debarment by any other entity except NTPC, such Supplier shall not be eligible for preference.

Complaints pertaining to Local content declaration/value addition, if any, may be addressed by the complainant to the committee constituted by MoP, for independent verification of self-declarations and auditor's / accountant's certificates on random basis and in the case of complaints. The composition of the committee is as specified in MoP Order ref. no. A-1/2021-FSC-Part(5) dated 16.11.2021.
