क्रेता द्वारा जोड़ी गई बिड की विशेष शर्तें/Buyer Added Bid Specific Terms and Conditions

1. **Generic**

   OPTION CLAUSE: The Purchaser reserves the right to increase or decrease the quantity to be ordered up to 25 percent of bid quantity at the time of placement of contract. The purchaser also reserves the right to increase the ordered quantity up to 25% of the contracted quantity during the currency of the contract at the contracted rates. The delivery period of quantity shall commence from the last date of original delivery order and in cases where option clause is exercised during the extended delivery period the additional time shall commence from the last date of extended delivery period. The additional delivery time shall be (Increased quantity ÷ Original quantity) × Original delivery period (in days), subject to minimum of 30 days. If the original delivery period is less than 30 days, the additional time equals the original delivery period. The Purchaser may extend this calculated delivery duration up to the original delivery period while exercising the option clause. Bidders must comply with these terms.

2. **Buyer Added Bid Specific ATC**

   Buyer Added text based ATC clauses

Additional Terms & Conditions (ATCs)

Clause 1: Prohibition of Financial Disclosure in Technical Bid (Two-Packet System)

In case of two-packet bidding systems (separate technical and financial bids), it is strictly prohibited to mention or indicate any financial value, pricing detail, or commercial term in the technical bid documents. Any such disclosure—intentional or otherwise—shall render the concerned bid liable for immediate rejection for that particular schedule or the entire bidding process, as applicable.
This clause is non-negotiable and is aimed at preserving the sanctity and impartiality of the technical evaluation process.

Clause 2: Abnormally Low Quoted Amounts and Disqualification

To uphold the principles of fair competition and to prevent any attempt to secure L1 status through non-bonafide practices, it is hereby stipulated that:

- If any item within a schedule is quoted at an abnormally low price (e.g., ₹1 or any other value significantly below reasonable market rates), the respective evaluation committee shall have the discretion to examine the quotation for its reasonableness.
- In such cases, a one-time opportunity for justification shall be provided to the concerned bidder(s) through the GeM portal. The bidder must furnish a valid and satisfactory explanation or cost breakup justifying the quoted price within the specified timeline.
- Failure to submit such justification, the inability to provide at that price, or submission of an inadequate/unsatisfactory justification may result in the rejection of the quoted item(s) and disqualification of the bid for that particular schedule or the entire tender, as deemed appropriate by the Competent Authority.
  The decision of the Evaluation Committee/Competent Authority in this regard shall be final and binding, and no further correspondence shall be entertained.

Clause 3: Rejection of Bids in Case of Identical IP Address

In order to ensure transparency and fairness in the bidding process, it is hereby stipulated that if two or more bids are found to have been submitted from the same IP address, such bids shall be treated as non-compliant and shall be summarily rejected without any further consideration.
As per CAG, “Placing of more than one bid for the same tender from the same IP address more often than not shows that the same computer was used to place the bids and is an indicator for collusion among bidders.”
This provision is aimed at preventing collusive bidding or any attempt to manipulate the procurement process. The decision of the Competent Authority in this regard shall be final and binding.

Clause 4: Mandatory Submission of Compliance Sheet with Manufacturer Details

To ensure authenticity and traceability of the materials, the seller shall provide a **schedule-wise compliance sheet** on the **signed letterhead of the firm** at the time of bid submission. The compliance sheet must clearly indicate:

- Name of the **manufacturer** of the chemical/plasticware/glassware/material,
- Corresponding **catalogue number / product ID**, and
- Confirmation of adherence to the required specifications through **CoA** {Certificate of Analysis} (which can be verified by the technical committee) or **Product literature** attached with the technical bid verifiable online.

Failure to submit any/all compliance documentation in the prescribed format may render the bid liable for rejection at the technical evaluation stage itself.

Note: The final order shall be placed only on those bidders who submit bids for and affirm their capability and willingness to supply all items covered under the respective schedule/package/BOQ in entirety. Partial quoting or non-confirmation for supply of all scheduled items may render the bid liable for rejection at the sole discretion of the Buyer.

The bidder shall quote their prices strictly on schedule-wise basis as specified in the tender document.
