Special terms and conditions-Version:8 effective from 30-09-2026 for category High End Laptop - Notebook

1. **1. Category Specification / MeitY Model Technical Specification / ATC Restrictions**
   The category has been created in accordance with the Model Technical Specification issued by the Ministry of Electronics and Information Technology (MeitY) vide letter No. W-43/4/2020-IPHW dated 19.08.2024 and is based on the parameters defined therein. Buyers shall not prescribe, through Buyer Added ATCs, any technical parameter, allowed value, particular processor, processor brand, processor manufacturer or other requirement which restricts or overrides the Category Specifications. Clause 2(e) of the GeM General Terms and Conditions (GTC) shall apply accordingly.

   2. Product Verification
   Each supplied Device shall bear a unique device serial number or other unique device identifier traceable to the OEM. The Buyer/Consignee shall be able to verify the authenticity of the supplied product including the configuration through the OEM website.

   3. Requirement of OEM Logo
   Buyers shall not prescribe a requirement for embossing, engraving, printing or affixing the OEM name/logo on the motherboard or any internal component.

   4. Operating System - OEM/Publisher Status
   There shall be no mandatory requirement that the OEM of the offered device should be a Microsoft Device Partner or hold any specific Microsoft authorisation. Where an Operating System other than Microsoft Windows is offered, no specific partner status or authorisation from the concerned Operating System publisher/provider shall be mandated.

   5. Operating System - Licensing
   Where Microsoft Windows is supplied, it shall be a genuine, legally licensed and duly activated copy of the Windows edition/version declared in the catalogue, and the licence shall be obtained through a licensing or distribution mechanism authorised by Microsoft. Where any other Operating System is supplied, it shall comply with the applicable licensing terms and conditions of the concerned Operating System publisher/provider, wherever licensing is applicable.

   6. Operating System - Verification
   Where Microsoft Windows is supplied pre-installed, the Buyer/Consignee shall be able to verify that the supplied Windows Operating System is genuine and duly activated through the OEM, i.e. Microsoft. A valid digital licence or any other licensing mechanism permitted by Microsoft for the supplied device shall be acceptable. Where any other Operating System is supplied, similar verification of licence authenticity and/or activation status shall be required only where the concerned Operating System publisher/provider provides a device-level or equivalent verification mechanism. Where no such verification mechanism is provided, this requirement shall not apply.

   7. Operating System - Applicability
   The requirements relating specifically to Microsoft Windows licensing, activation and verification shall apply where Microsoft Windows forms part of the contracted configuration. Where an Operating System other than Microsoft Windows is supplied, the applicable licensing requirements of the concerned

Operating System publisher/provider shall be complied with, and verification of licence authenticity and/or activation shall be required only where such verification is supported by the concerned Operating System publisher/provider.

8. Operating System-specific Certification / Compatibility
Hardware compatibility certificate prescribed by a particular Operating System publisher/provider may be requested by buyers.

9. USB Port Declaration
Each physical USB port shall be declared only once under the highest interface capability supported by that port. The same physical port shall not be counted under multiple USB generations/types merely because of backward compatibility. A technically backward-compatible higher-generation version of a prescribed USB/interface standard may be offered where it meets or exceeds the functionality and performance of the prescribed standard and complies with all other Category requirements.

10. Warranty
The warranty applicable to the supplied device shall be as specified/selected in the product and reflected in the resultant contract. The applicable warranty shall be verifiable through the OEM website, OEM customer support facility or warranty certificate/tag provided by the OEM.

11. Acceptance of Supplies
Before acceptance and generation of CRAC, the Buyer/Consignee may verify, as appropriate, that the supplied device conforms to the contracted specifications, configuration, quantity and warranty requirements and is free from apparent physical damage or defects. The supplied product shall be new, unused and non-refurbished. The Buyer/Consignee may verify the packaging, supplied accessories/documentation, installed operating system where applicable, unique device serial number/identifier, contracted configuration and applicable warranty.

12. Service Escalation Matrix
The Seller shall provide appropriate contact details and an escalation matrix for warranty/service support to the Buyer/Consignee at the time of delivery.

13. HDD/SSD Storage Retention
Where required on account of information-security or data-retention considerations, the Buyer may prescribe an appropriate contractual condition under ATCs, in case of procurement via bids, regarding retention of storage media such as HDDs/SSDs used in the supplied device.

14. Configuration Alteration
The configuration supplied shall conform to the configuration offered in the catalogue and resultant contract and shall be supported/authorised by the OEM. The Seller shall not make any alteration or substitution of components which results in deviation from the contracted configuration or affects OEM warranty/support. The machine should be delivered to the Consignee in its original, factory-approved configuration.

क्रेता द्वारा जोड़ी गई बिड की विशेष शर्तें/Buyer Added Bid Specific Terms and Conditions

1. **Generic**

   OPTION CLAUSE: The Purchaser reserves the right to increase or decrease the quantity to be ordered up to 25 percent of bid quantity at the time of placement of contract.
