लाभार्थी /Beneficiary :

DIRECTOR
Forest Research Institute, P.O.-NEW FOREST, Dehradun ,UTTARAKHAND-248006
(Director,forest Research Institute Dehradun)

बोली विभाजन लागू नहीं किया गया/ Bid splitting not applied.

एमआईआई अनुपालन/MII Compliance

एमआईआई अनुपालन/MII Compliance	Yes

एमएसई खरीद वरीयता/MSE Purchase Preference

एमएसई खरीद वरीयता/MSE Purchase Preference	Yes
सूक्ष्म और लघु उद्यम मूल उपकरण निर्माताओं/सेवा प्रदाता को खरीद में प्राथमिकता, यदि उनका मूल्य L1+X% / Purchase Preference to MSE OEMs/ Service Provider available upto price within L1+X%	15

1. **Purchase preference to Micro and Small Enterprises (MSEs):** Purchase preference will be given to MSEs having valid Udyam Certificate and whose credentials are validated online through Udyam Registration portal as defined in Public Procurement Policy for Micro and Small Enterprises (MSEs) Order, 2012 dated 23.03.2012 issued by Ministry of Micro, Small and Medium Enterprises and its subsequent Orders/Notifications issued by concerned Ministry. If the bidder wants to avail themselves of the Purchase preference, the bidder must be the manufacturer / OEM of the offered product on GeM. In respect of bid for Services, the bidder must be the Service provider of the offered Service. Traders are excluded from the purview of Public Procurement Policy for Micro and Small Enterprises and hence resellers offering products manufactured by some other OEM are not eligible for any purchase preference. Relevant documentary evidence in this regard shall be uploaded along with the bid in respect of the offered product or service, and Buyer will decide eligibility for purchase preference based on documentary evidence submitted in case of product bids, whereas in case of services the eligibility is automatically validated. If L-1 is not an MSE and MSE Seller (s) has / have quoted price within L-1+ 15% (Selected by Buyer) of margin of purchase preference /price band defined in relevant policy, such MSE Seller shall be given opportunity to match L-1 price and contract will be awarded for % (selected by Buyer) percentage of total quantity. The buyers are advised to refer the OM_No.1_4_2021_PPD_dated_18.05.2023 for compliance of Concurrent application of Public Procurement Policy for Micro and Small Enterprises Order, 2012 and Public Procurement (Preference to Make in India) Order, 2017. Benefits of MSE will be allowed only if seller is validated on-line in GeM profile as well as validated and approved by Buyer after evaluation of documents submitted.
2. If L-1 is not an MSE and MSE Service Provider (s) has/have quoted price within L-1+ 15% of margin of purchase preference /price band as defined in the relevant policy, then 100% order quantity will be awarded to such MSE bidder subject to acceptance of L1 bid price.
3. Estimated Bid Value indicated above is being declared solely for the purpose of guidance on EMD amount and for determining the Eligibility Criteria related to Turn Over, Past Performance and Project / Past Experience etc. This has no relevance or bearing on the price to be quoted by the bidders and is also not going to have any impact on bid participation. Also this is not going to be used as a criteria in determining reasonableness of quoted prices which would be determined by the buyer based on its own assessment of reasonableness and based on competitive prices received in Bid / RA process.
4. Past Experience of Similar Services: The bidder must have successfully executed/completed similar Services over the last three years i.e. the current financial year and the last three financial years(ending month of March prior to the bid opening): -
1. Three similar completed services costing not less than the amount equal to 40% (forty percent) of the estimated cost; or

2. Two similar completed services costing not less than the amount equal to 50% (fifty percent) of the estimated cost; or
3. One similar completed service costing not less than the amount equal to 80% (eighty percent) of the estimated cost.

4. **Certificates**

   Bidder's offer is liable to be rejected if they don't upload any of the certificates / documents sought in the Bid document, ATC and Corrigendum if any.

5. **Buyer Added Bid Specific ATC**

   Buyer Added text based ATC clauses

Technical Specifications for Supply, Installation, Testing and Commissioning of Structured Internet Network Cabling including L2 Managed PoE Switch

S.No.	Description of work/ instrument	Quantity	Details
1.	Cat 6 Cable	10Box (305 meter each)	Supply, installation, testing and commissioning of unshielded, twisted pair, Giga bit speed Cat.6 cable i.e meeting transmission characteristics specified to 250 MHz and designed to support digital transmission in excess of 1000 Mbps i.e1 Gbps. The cable shall be laid in DLP trunking/casing capping / and PVC conduit bunched together in neat and clean fashion, tagged at regular interval as directed. Other accessories if required will also be in the scope of vendor. Detailed specification of cable is given below.

		Features	**Detailed Specifications**
		Conductor	Solid Bare Copper Diameter- 23 AWG
		Insulation	a) Diameter - 0.970mm Nominal b) Material - Polyethylene
		Jacket	a) Material: FR LS b) Color: Gray
2.	**CAT6 PATCH CORDS (3/5 M tr)**	**03 Mtr- 50.** **05 Mtr-100** **(Total Qty.-15 0)**	**Supply, installation, testing and commissioning of Patch Cord (factory made) as per the following co nfiguration.**
		Features	**Detailed Specifications**
		Physical	Multi Strand and flexible.
		Electrical	Cat6 Unshielded Twisted Pair (Cat6 UTP) 100 Ω cable 500 MΩ minimum Insulation resistance. 1.5A maximum current rating. HDPE insulation ov er conductors and PVC jacket all over.
		Mechanical	Gold over Nickel contacts. Polycarbonate plu g. Premium category molded boot on both e nds.
		Compliances	ANSI/TIA/EIA-568-B.2 ETL / UL verified
3.	**Information O utlet (I/O)Box**	**75 No.**	**Supply, installation, testing and commis sioning of RJ-45 Information outlets as per the schedule with suitable modular cover plate with frame and suitable surf ace mount as per the following configur ation.**
		Features	**Detailed Specifications**

		Faceplate	a. One port modular b. Shutter door to prevent dust entering. c. Standard color – white. d. Provision for labeling. Material ABS / UL 94 V-0
		RJ 45 CAT-6 J acks	a. Unshielded, CAT-6 type b. Base material – Phosphor Bronze c. Contact should be gold over nickel coati ng d. Compatible with 22AWG-26AWG wires e. Complaint to EIA/TIA 568A/B f. Minimum Insertion life of 700Cycles. Performance should be tested up to 600Mhz.
		One set sho uld contain	a. Surface mounting/gain Box. b. Single Face plate c. One cat-6 unshielded jacks d. Cable ties and necessary screws. All should be compatible with each other and of same make & color.
4.	**24-port L2 Ma naged Switch**	**01No.**	**Supply, installation, testing and commissioning of 24 ports L2 managed PoE Switch as per given spe cifications, including supply and installation of co mpatible 10G SFP+ modules required for establis hing 10 Gbps fiber connectivity.**
		Features	**Detailed Specifications**
		Switch Type	L2 Managed Switch Minimum 24 × 10/100/1000 Base-T auto-sensing PoE ports
		PoE Standar d	IEEE 802.3af/at (PoE+) compliant on all ports; IEEE 802. 3bt (PoE++) on some or all ports acceptable but not ma ndatory
		PoE Power B udget	Minimum 370W (single power supply); expandable via r edundant/second power supply where OEM architecture requires it; per-port PoE power cycling/scheduling and P oE power management
		Uplink Ports	Minimum 4 dedicated 1G/10G Base-X Fiber SFP+ ports, i n addition to the copper ports

		Management	Web-based graphical user interface (GUI); administrative access control via RADIUS and TACACS+; support for centralised multi-switch management through vendor-provided software, controller or cloud-based platform (on-premise or cloud-hosted); capability for remote network monitoring, administration and firmware management across multiple devices; secure web-based access using HTTPS with TLS 1.2 or higher.
		VLAN	Minimum 256 VLANs
		QoS	IEEE 802.1p Class of Service (CoS); WRR (Weighted Round Robin) or equivalent QoS scheduling mechanism
		Link Aggregation	IEEE 802.3ad Trunking (LACP), supporting a minimum of 16 LAG groups with a maximum of 8 members per LAG
		Spanning Tree	STP / RSTP / MSTP
		Multicast	IGMP Snooping, IGMP Querier and IGMP Fast Leave for multicast optimization
		Security	Broadcast, Unicast, Multicast storm/control protection; MAC lockdown by number of MAC addresses; L2 MAC, L3 IP and L4 Port Access Control Lists (ACLs)
		Authentication	IEEE 802.1X port-based network access control with RADIUS authentication
		Jumbo Frame	Support up to 10 Kb
		Switching Capacity	Minimum 128 Gbps, non-blocking architecture
		Forwarding	Store-and-forward
		Power Supply	Support for field-replaceable / hot-swappable redundant power supply (RPS); RPS unit need not be supplied at time of delivery but the switch model quoted must support one
		LIUs & Rack (1 each)	To be supplied & installed with suitable Wall Mount Racks &Rack mount LIUs .
		Warranty	Minimum 5-year hardware replacement warranty, without any extra cost; OEM to provide replacement with New Product only, no repair or refurbished products; Next Business Day (NBD) replacement.

5.	**Fixing and Mounting hardware**	3050 Meter **(For entire length of Cabling)** on As & When Required Basis	Shall include but not limited to the following: Conduit Pipe / PVC Pipe; Conduit Couplers / Joiners; Pipe Clamps / Saddles; Wall Plugs / Rawl Plugs; Screws; Elbows / Bends; Junction Boxes / Inspection Boxes; Cable Clips / Cable Ties; End Caps / Bushes; and Adhesive / Fastening Material.

Scope of work, Terms and Conditions

A. General Conditions

1. The successful bidder will have to supply all the items specified in the Bill of Materials, conforming to the technical specifications given in the Buyer Specification Document. Fixing of cabling and other equipment will also be the responsibility of the successful bidder.
2. All tools, tackles, testing instruments etc. as required during execution of work shall be arranged by bidder. The bidder has to ensure timely installation, testing and commissioning as per the terms of work order. Transportation of materials required for the work/manpower shall be arranged by the bidder at their own cost.
3. The bidder shall furnish and install cables, I/O boxes, connectors, patch panels, and miscellaneous hardware required for delivery of a complete and working network.
4. The bidder shall complete all work with minimum downtime.
5. Cable installation will strictly adhere to CPWD guidelines, ensuring that no walls or windows are damaged during the process.
6. The bidder must provide trained personnel experienced in the installation and testing of cabling systems.
7. The bidder must do proper Marking/Labelling of each cable.
8. All equipment and materials should be installed neatly and securely.
9. The bidder is required to clean up work areas of debris and dust generated by them.
10. All the tools and equipment required for installation and commissioning must be provided by the bidder.
11. All surplus usable material must be handover to the IT & GIS Discipline, FRI Dehradun after the completion of work.
12. The installation of equipment shall be treated as completed only after its testing.

13. **The work shall be executed on voucher basis for each individual new office location, as and when required by FRI, at locations anywhere within FRI Campus, as per the quantity and scope specified in the respective voucher. Clearly showing Amount of material consumed per office/location.**

14. **Painting responsibility – The bidder shall ensure painting/touch-up wherever required i.e., at locations where cabling, conduit installation, or drilling work affects the walls, ceilings, or wooden structures. Painting on conduit, flexible piping, protective jacket, casing/capping or cable protection etc. must match the existing finish to maintain the aesthetic and historical importance of the FRI building.**

15. **Uninstallation responsibility – The bidder shall uninstall/remove old/existing wiring only wherever required, in a safe and controlled manner, without damaging walls, ceilings, or wooden structures. All dismantled material shall be handed over to IT & GIS Discipline, FRI Dehradun.**

16. **Site-wise Execution: The bidder shall execute the work at only one site/location at a time, unless otherwise specifically permitted by FRI. The bidder shall complete the assigned cabling, termination, testing, documentation/photographic record and necessary restoration/clean-up at one site/location before commencing work at another site/location. No simultaneous execution at multiple sites/locations shall be permitted without prior approval of the designated IT & GIS Discipline staff.**

17. **Work Execution & Supervision: All installation, cabling, and testing work shall be executed strictly on official working days during office hours, and exclusively under the supervision of designated IT Discipline staff.**

18. **Execution Timeline: The entire work, including supply, installation, testing, and commissioning, must be successfully completed within 30 working days from the date of issuance of the work order.**

19. **Damage & Restoration Liability: The bidder shall take utmost care during execution. Any damage caused to walls, ceilings, doors, windows, wooden structures, electrical fittings, or any FRI property during the work shall be repaired, restored, and paid for entirely by the vendor at their own cost to match the original condition.**

20. **The vendor shall note that installation at certain locations within FRI campus involves ceiling heights of 40 feet and above. The vendor shall make all necessary arrangements including scaffolding, elevated work platforms, ladders and any other equipment or labour required for safe installation at such heights. Additionally, at certain locations, temporary shifting of office furniture and other items may be required to facilitate cable routing and installation — the vendor shall arrange requisite labour for the same at their own cost. FRI shall not provide any labour, equipment or assistance for movement of office furniture or any other items. No additional claims on this account shall be entertained.**

B. Scope of supply

1. The Bidder’s responsibility shall include but not limited to the supply of all items mentioned in Bill of material as per details given in Technical Specification and / or agreed upon, after final bid evaluation. The Bidder has to ensure the compatibility of all the material supplied with the existing LAN network in addition to

ensuring compatibility among them. Any additional material (cables, interfaces, part of the equipment, etc.) not exclusively mentioned in the Buyer specificatio n Document but required for successful installation and operation of the supplie d network equipment or integrating to the existing network, are in the scope of the Bidder without any extra cost to FRI.

2. All transportation, transit insurance required for supply and commissioning of t he Network system are to be arranged by the bidder and no extra cost shall be paid. Any damage to the material and system supplied through this contract un til the handover of the system shall be the responsibility of the bidder and insur ance (if any) required to mitigate the risk shall be borne by the bidder.

C. Structured cabling / Internal Wiring

1. The bidder shall furnish and install structured cable using casing capping, duct, conduit, straps, casing capping T joints and L joints where necessary to perform the scope of work described herein. **No network cable/wiring shall be left e xposed.**

2. The connectivity from LAN switch and UTP patch panel shall be extended throu gh UTP patch chords. The distance between UTP patch panel and the switch sho uld be kept minimum and efforts should be made to keep both switch and patch panel inside the rack. **All network cabling/wiring shall be properly protect ed and routed through conduit, flexible piping, protective jacket, casin g/capping or equivalent suitable cable protection.**

3. Laying and Termination of CAT6 Cable with casing and capping/spiral pipe or o ther suitable cable protection wherever required. All cabling must be “structure d” with proper fitting.

4. The quantity of **75 I/O Boxes** specified in the Tech Specs shall represent the p resent requirement only and shall not limit the extent of CAT6 cable wiring. The bidder shall carry out CAT6 cable wiring to additional/future locations as directe d by FRI, even after installation of the specified 75 I/O Boxes, **provided suffici ent CAT6 cable is available within the sanctioned/procured cable quant ity**. Any balance CAT6 cable remaining after installation of the 75 I/O Boxes shal l be utilized for wiring additional/future network points as directed by FRI. Wher e an I/O Box is not required or is not installed at the time of execution, the cable shall nevertheless be laid, routed, protected, labelled and suitably terminated/le ft ready for subsequent installation of the I/O Box. No additional payment shall b e admissible for such wiring when carried out within the sanctioned quantity of CAT6 cable.

5. The core of existing OFC wiring available at FRI shall be reused for the work. Th e bidder shall carry out required fiber splicing, termination, jointing and testing of the existing OFC at the locations identified/required by FRI. All splicing access ories and consumables required for the above work shall be provided by the bid der.

6. **Warranty for Cabling Work:** The bidder shall provide a minimum **two-year warranty** for the installed CAT6 structured cabling, termination, connectors an d associated installation/workmanship. Any defect, failure, loose connection, im

proper termination or other fault attributable to the supplied material or workm anship during the warranty period shall be rectified by the bidder at their own c ost, without any additional financial liability to FRI.

7. All conduit pipes shall be fixed using **G.**I. pipe saddles/clamps at intervals not exceeding one(1) metre, ensuring firm and secure mounting throughout the cab le route. Use of plastic saddles/ clamps is strictly not permitted unless site condi tions do not permit the use of G.I. saddles, in which case prior written approval of the Head IT shall be obtained before proceeding.

D. L2 Managed Switch Installation

1. Suitable lockable network rack / wall-mount cabinet is to be provided & installed by the vendor with proper Rack leveling, anchoring and earthing & oth er required steps for the supplied switch.

2. Vendor to independently verify and identify active/live OFC cores before splicin g.

3. The vendor shall supply all consumables required for complete networking incl uding optical fibre patch cords/LIU, and any other accessories required for a co mplete and functional installation.

4. **The vendor shall also carry out all necessary electrical work required for the installation and commissioning of the supplied switch, rack, LIU and associated networking equipment.**

E. Documentation of the LAN

Configuration details of switches, network schematic drawings, OFC layout dr awings, drawings of the UTP cabling with numbers at I/O end and jack panel end, location of jack panels, I/O location, location of the switches, ferrule det ails, cable routing to be furnished in form of a documented hard copy/handb ook along with the acceptance shall have to be submitted to the In charge, IT and GIS Discipline.

F. Site survey

The Bidder at the Bidder’s own responsibility, cost & risk is encouraged to vis it and examine the site of works and its surroundings and obtain all informati on that may be necessary for preparing the Bid and make a detail survey bef ore submitting the bid.. The network design and system implementation sho uld also concentrate on flexibility of future expansion and maintainability wit hout much hassle. The costs of visiting the Site shall be at the Bidder’s own expense. It shall be deemed that the tenderer has visited the site /area and got fully acquainted with the prevailing site conditions and fluctuations there to whether he actually visits the site/area or not.

For any technical/site-related query, bidder may contact the IT and GIS Disci pline during office working hours on Ph. No. 0135-222-4234.

G. In case of any disputes on execution of the work during the period of contr act, the decision of the Director, ICFRE-FRI Dehradun shall be binding and fin al, agreeable in full by both the parties.

H. Director, ICFRE-FRI Dehradun reserves the right to cancel the contract at any time without assigning any reasons whatsoever.

I. Disputes, if any, will be under the jurisdiction of Dehradun Court, Uttarakh and, India.

.

6. **Buyer Added Bid Specific ATC**

   Buyer uploaded ATC document Click here to view the file.

अस्वीकरण/Disclaimer

The Additional Terms and Conditions (ATC) have been incorporated by the Buyer after approval of their Competent Authority. The Buyer ,is solely responsible for the impact of these clauses on the bidding process, its outcome, and consequences thereof including any restriction arising in the bidding process due to these ATCs and including the modification of technical specifications and / or terms and conditions governing the bid.All representations / grievances pertaining to the ATC clauses shall be raised with the buyer organization directly and not with GeM.If any of the clause(s) is/are incorporated by the Buyer regarding the following, the bid & resultant contract shall be treated as null & void. Further, GeM reserves the right, at its sole discretion, to cancel the bid forthwith, without issuance of any prior notice or intimation :-

1. Publishing Custom / BOQ bids for items for which regular GeM categories are available (unless such Custom / BOQ item is bunched with the major regular product Category Item).
2. Mandating procurement of / from specific Brand / Make / Model / Manufacturer / Dealer except in case of Single Bid / Proprietary Article Certificate (PAC) Buying.
3. Inclusion of disqualification criteria related to suspension of seller / service provider, where such suspension period has already expired.
4. Mandating submission of documents (other than EMD and signed Integrity Pact - which can be submitted within 5 days of bid opening) in physical form as a pre-requisite to qualify bidders.
5. Publishing bids on GeM for procurement of works.
6. Procurement of Goods by creating a Service bid on GeM & vice-versa.
7. Seeking sample with bid or approval of samples during bid evaluation process. However, trial / sample, as the case may be, shall be permitted in cases where trial / sample are allowed as per approved and published procurement policy of the Buyers' controlling Ministry / Department / State / Public Sector Enterprises Headquarters. If there is any violation of trial / sample clause with regard to approved policy of the Buyers' Ministry / Department / State / Public Sector Enterprises Headquarters, then this is to be determined and redressed by the concerned Buyer Organisation only.
8. Seeking experience from specific organization / department / institute only or from foreign / export experience.
9. Creating bid for items from incorrect categories.
10. Reference of conditions published on any external site or reference to external documents/clauses.
11. Asking for any Tender fee / Bid Participation fee, as the case may be.
12. Buyer added ATC Clauses which are in contravention of clauses defined in bid detail section, including specifications, EMD Detail, ePBG Detail and MII and MSE Purchase Preference sections of the bid, unless

otherwise allowed by the applicable GeM GTC.

13. Any ATC clause in contravention with GeM GTC Clause 4 (xiii) (h) will be invalid. In case of multiple L1 bidders against a service bid, the buyer shall place the Contract by selection of a bidder amongst the L-1 bidders through a Random Algorithm executed by GeM system.
14. In a category based bid, adding additional items, through buyer added, additional scope of work/ additional terms and conditions/or any other document. If buyer needs more items along with the main item, the same must be added through bunching category based items or by bunching custom catalogues or bunching a BoQ with the main category based item, the same must not be done through ATC or Scope of Work.

Further, if any seller has any objection/grievance against these additional clauses or otherwise on any aspect of this bid, they can raise their representation against the same by using the Representation window provided in the bid details field in Seller dashboard after logging in as a seller. Buyer is duty bound to reply to all such representations and would not be allowed to open bids if he fails to reply to such representations.

All GeM Sellers/Service Providers shall ensure full compliance with all applicable labour laws, including the provisions, rules, schemes and guidelines under the four Labour Codes i.e. the Code on Wages, 2019; the Industrial Relations Code, 2020; the Occupational Safety, Health and Working Conditions Code, 2020; and the Code on Social Security, 2020 as and when notified and brought into force by the Government of India.

For all provisions of the Labour Codes that are pending operationalisation through rules, schemes or notifications, the corresponding provisions of the pre-existing labour enactments (such as The Minimum Wages Act, 1948, The Payment of Wages Act, 1936, The Payment of Bonus Act, 1965, The Equal Remuneration Act, 1976, The Payment of Gratuity Act, 1972, etc. and relevant State Rules) shall continue to remain applicable.

The Seller/ Service Providers shall, therefore, be responsible for ensuring compliance under:

- **All notified and enforceable provisions of the new Labour Codes as mentioned hereinabove; and**
- **All operative provisions of the erstwhile Labour Laws until their complete substitution.**

All obligations relating to wages, social security, safety, working conditions, industrial relations etc. and any other statutory requirements shall be strictly met by the Seller/ Service Provider. Any non-compliance shall constitute a breach of the contract and shall entitle the Buyer to take appropriate action in accordance with the contract and applicable law.

This Bid is governed by the General Terms and Conditions, conditions stipulated in Bid and Service Level Agreement specific to the Service, as the case may be, as provided in the Marketplace.

However, in case of Service, if any condition specified in General Terms and Conditions is contradicted by the conditions stipulated in Service Level Agreement specific to said Service, then it will over-ride the conditions in the General Terms and Conditions.

This Bid is governed by the सामान्य नियम और शर्तें/General Terms and Conditions, conditions stipulated in Bid and Service Level Agreement specific to this Service as provided in the Marketplace. However in case if any condition specified in सामान्य नियम और शर्तें/General Terms and Conditions is contradicted by the conditions stipulated in Service Level Agreement, then it will over ride the conditions in the General Terms and Conditions.

जेम की सामान्य शर्तों के खंड 26 के संदर्भ में भारत के साथ भूमि सीमा साझा करने वाले देश के बिडर से खरीद पर प्रतिबंध के संबंध में भारत के साथ भूमि सीमा साझा करने वाले देश का कोई भी बिडर इस निविदा में बिड देने के लिए तभी पात्र होगा जब वह बिड देने वाला सक्षम प्राधिकारी के पास पंजीकृत हो।बिड में भाग लेते समय बिडर को इसका अनुपालन करना होगा और कोई भी गलत घोषणा किए जाने व इसका अनुपालन न करने पर अनुबंध को तत्काल समाप्त करने और कानून के अनुसार आगे की कानूनी कार्रवाई का आधार होगा।/In terms of GeM GTC clause 26 regarding Restrictions on procurement from a bidder of a country which shares a land border with India, any bidder from a country which shares a land border with India will be eligible to bid in this tender only if the bidder is registered with the Competent Authority. While participating in bid, Bidder has to undertake compliance of this and any false declaration and non-compliance of this would be a ground for immediate termination of the contract and further legal action in accordance with the laws.

---धन्यवाद/Thank You---
