1. The minimum average annual financial turnover of the bidder during the last three financial years, ending on 31st March of the previous financial year, should be as indicated in the bid document. The turnover of the bidder shall be validated by the system based on the financial data available on the GeM portal. The average turnover shall be calculated based on the last three financial years where data is available; in case data is available for only two of the last three financial years, the average shall be computed based on those two years. In case the date of constitution / incorporation of the bidder is less than three years old, the average turnover in respect of the completed financial years after the date of constitution / incorporation shall be taken into account for this criterion. No separate documentary evidence is required to be uploaded by the bidder for this criterion, as the system shall derive and validate the turnover figures from the data available on the GeM portal.
2. Experience Criteria: In respect of the filter applied for experience criteria, the Bidder or its OEM of the product offered in the bid {themselves or through reseller(s)} should have regularly, manufactured and supplied same or similar Category Products to any Central / State Govt Organization / PSU for number of Financial years as indicated above in the bid document before the bid opening date. Copies of relevant contracts and delivery acceptance certificates like CRAC to be submitted along with bid in support of having supplied some quantity during each of the Financial year. In case of bunch bids, the category of primary product having highest value should meet this criterion.
3. OEM Turn Over Criteria: The minimum average annual financial turnover of the OEM of the offered product during the last three years, ending on 31st March of the previous financial year, should be as indicated in the bid document. Documentary evidence in the form of certified Audited Balance Sheets of relevant periods or a certificate from the Chartered Accountant / Cost Accountant indicating the turnover details for the relevant period shall be uploaded with the bid. In case the date of constitution / incorporation of the OEM is less than 3 year old, the average turnover in respect of the completed financial years after the date of constitution shall be taken into account for this criteria.
4. Preference to Make In India products (For bids < 200 Crore):Preference shall be given to Class 1 local supplier as defined in public procurement (Preference to Make in India), Order 2017 as amended from time to time and its subsequent Orders/Notifications issued by concerned Nodal Ministry for specific Goods/Products. The minimum local content to qualify as a Class 1 local supplier is denoted in the bid document. If the bidder wants to avail the Purchase preference, the bidder must upload a certificate from the OEM regarding the percentage of the local content and the details of locations at which the local value addition is made along with their bid, failing which no purchase preference shall be granted. In case the bid value is more than Rs 10 Crore, the declaration relating to percentage of local content shall be certified by the statutory auditor or cost auditor, if the OEM is a company and by a practicing cost accountant or a chartered accountant for OEMs other than companies as per the Public Procurement (preference to Make-in -India) order 2017 dated 04.06.2020. Only Class-I and Class-II Local suppliers as per MII order dated 4.6.2020 will be eligible to bid. Non - Local suppliers as per MII order dated 04.06.2020 are not eligible to participate. However, eligible micro and small enterprises will be allowed to participate .The buyers are advised to refer the OM No.F.1/4/2021-PPD dated 18.05.2023.
OM_No.1_4_2021_PPD_dated_18.05.2023 for compliance of Concurrent application of Public Procurement Policy for Micro and Small Enterprises Order, 2012 and Public Procurement (Preference to Make in India) Order, 2017 and its subsequent Orders/Notifications issued by concerned Ministry .Benefits of MSE will be allowed only if seller/service provider is validated on-line in GeM profile as well as validated and approved by Buyer after evaluation of documents submitted.

5. **Purchase preference to Micro and Small Enterprises (MSEs):** Purchase preference will be given to MSEs having valid Udyam Certificate and whose credentials are validated online through Udyam Registration portal as defined in Public Procurement Policy for Micro and Small Enterprises (MSEs) Order, 2012 dated 23.03.2012 issued by Ministry of Micro, Small and Medium Enterprises and its subsequent Orders/Notifications issued by concerned Ministry. If the bidder wants to avail themselves of the Purchase preference, the bidder must be the manufacturer / OEM of the offered product on GeM. In respect of bid for Services, the bidder must be the Service provider of the offered Service. Traders are excluded from the purview of Public Procurement Policy for Micro and Small Enterprises and hence resellers offering products manufactured by some other OEM are not eligible for any purchase preference. Relevant documentary evidence in this regard shall be uploaded along with the bid in respect of the offered product or service, and Buyer will decide eligibility for purchase preference based on documentary evidence submitted in case of product bids, whereas in case of services the eligibility is automatically validated. If L-1 is not an MSE and MSE Seller (s) has / have quoted price within L-1+ 15% (Selected by Buyer) of margin of purchase preference /price band defined in relevant policy, such MSE Seller shall be given

opportunity to match L-1 price and contract will be awarded for 25% (selected by Buyer) percentage of total quantity. The buyers are advised to refer the OM_No.1_4_2021_PPD_dated_18.05.2023 for compliance of Concurrent application of Public Procurement Policy for Micro and Small Enterprises Order, 2012 and Public Procurement (Preference to Make in India) Order, 2017. Benefits of MSE will be allowed only if seller is validated on-line in GeM profile as well as validated and approved by Buyer after evaluation of documents submitted.
6. Estimated Bid Value indicated above is being declared solely for the purpose of guidance on EMD amount and for determining the Eligibility Criteria related to Turn Over, Past Performance and Project / Past Experience etc. This has no relevance or bearing on the price to be quoted by the bidders and is also not going to have any impact on bid participation. Also this is not going to be used as a criteria in determining reasonableness of quoted prices which would be determined by the buyer based on its own assessment of reasonableness and based on competitive prices received in Bid / RA process.
7. Past Performance: The Bidder or its OEM {themselves or through re-seller(s)} should have supplied same or similar Category Products for 80% of bid quantity, in at least one of the last three Financial years before the bid opening date to any Central / State Govt Organization / PSU. Copies of relevant contracts (proving supply of cumulative order quantity in any one financial year) to be submitted along with bid in support of quantity supplied in the relevant Financial year. In case of bunch bids, the category related to primary product having highest bid value should meet this criterion.

Special terms and conditions-Version:14 effective from 30-09-2026 for category All in One PC (V2)

1. 1. **Product Verification**
   Each supplied Device shall bear a unique device serial number or other unique device identifier traceable to the OEM. The Buyer/Consignee shall be able to verify the authenticity of the supplied product, including the configuration, through the OEM website.

   2. **Requirement of OEM Logo**
   Buyers shall not prescribe a requirement for embossing, engraving, printing or affixing the OEM name/logo on the motherboard or any internal component.

   3. **Operating System - OEM/Publisher Status**
   There shall be no mandatory requirement that the OEM of the offered device should be a Microsoft Device Partner or hold any specific Microsoft authorisation. Where an Operating System other than Microsoft Windows is offered, no specific partner status or authorisation from the concerned Operating System publisher/provider shall be mandated.

   4. **Operating System - Licensing**
   Where Microsoft Windows is supplied, it shall be a genuine, legally licensed and duly activated copy of the Windows edition/version declared in the catalogue, and the licence shall be obtained through a licensing or distribution mechanism authorised by Microsoft. Where any other Operating System is supplied, it shall comply with the applicable licensing terms and conditions of the concerned Operating System publisher/provider, wherever licensing is applicable.

   5. **Operating System - Verification**
   Where Microsoft Windows is supplied pre-installed, the Buyer/Consignee shall be able to verify that the supplied Windows Operating System is genuine and duly activated through the OEM, i.e. Microsoft. A valid digital licence or any other licensing mechanism permitted by Microsoft for the supplied device shall be acceptable. Where any other Operating System is supplied, similar verification of licence authenticity and/or activation status shall be required only where the concerned Operating System publisher/provider provides a device-level or equivalent verification mechanism. Where no such verification mechanism is provided, this requirement shall not apply.

   6. **Operating System - Applicability**
   The requirements relating specifically to Microsoft Windows licensing, activation and verification shall apply where Microsoft Windows forms part of the contracted configuration. Where an Operating System other than Microsoft Windows is supplied, the applicable licensing requirements of the concerned Operating System publisher/provider shall be complied with, and verification of licence authenticity and/or activation shall be required only where such verification is supported by the concerned Operating System publisher/provider.

   7. **Operating System-specific Certification / Compatibility**
   Hardware compatibility certificate prescribed by a particular Operating System publisher/provider may be requested by buyers.

   8. **USB Port Declaration / Higher Interface Standard**
   Each physical USB port shall be declared only once under the highest interface capability supported by that port. The same physical port shall not be counted under multiple USB generations/types merely because of backward compatibility. A technically backward-compatible higher-generation version of a prescribed USB/interface standard may be offered where it meets or exceeds the functionality and performance of the prescribed standard and complies with all other Category requirements.

   9. **Warranty**
   The warranty applicable to the supplied Device shall be as specified/selected in the product and reflected in the resultant contract. The applicable warranty shall be verifiable through the OEM website, OEM customer support facility or warranty certificate/tag provided by the OEM.

   10. **Scope of Installation**
   Installation requirements, wherever applicable, shall be specified by the Buyer in the bid under the Installation, Commissioning and Testing (ICT) clause. Where installation is stipulated in the bid, the Seller shall be responsible for installation of the complete system and for demonstrating its satisfactory functioning to the Consignee or the Buyer’s authorised representative. In the case of Direct Purchase and L1 Purchase, installation of the computer system by the Seller/OEM is mandatory. Installation shall be limited to the supplied computer system and shall not include supply or installation of separately procurable software such as antivirus software, office productivity software, etc., unless such software forms part of the contracted scope through an appropriate GeM category.

11. **Buyer/Consignee Obligations for Installation**
    Where installation is included in the resultant contract, the Buyer/Consignee shall provide reasonable access to the installation location and make available the necessary site infrastructure, including power supply, networking and other site-preparation requirements not forming part of the Seller's contractual scope. Necessary entry/gate passes, where required, shall be facilitated by the Buyer/Consignee.

12. **Acceptance of Supplies**
    Before acceptance and generation of CRAC, the Buyer/Consignee may verify, as appropriate, that the supplied device conforms to the contracted specifications, configuration, quantity and warranty requirements and is free from apparent physical damage or defects. The supplied product shall be new, unused and non-refurbished. The Buyer/Consignee may verify the packaging, supplied accessories/documentation, installed operating system where applicable, unique device serial number/identifier, contracted configuration and applicable warranty.

13. **HDD/SSD Storage Retention**
    Where required on account of information-security or data-retention considerations, the Buyer may prescribe an appropriate contractual condition under ATCs (in case of procurement via bids) regarding retention of storage media such as HDDs/SSDs used in the supplied device.

14. **Availability of Monitor**
    Supply of the monitor shall be governed by the applicable Category parameter relating to "Availability of monitor". Any specifications or requirements relating to the monitor shall apply only where a monitor forms part of the contracted configuration.

15. **Configuration Alteration - Seller**
    The configuration supplied shall conform to the configuration offered in the catalogue and resultant contract and shall be supported/authorised by the OEM. The Seller shall not make any alteration or substitution of components which results in deviation from the contracted configuration or affects OEM warranty/support. The machine should be delivered to the Consignee in its original, factory-approved configuration.

16. **Service Escalation Matrix**
    The Seller shall provide appropriate contact details and an escalation matrix for warranty/service support to the Buyer/Consignee at the time of delivery.

Special terms and conditions-Version:1 effective from 10-02-2026 for category A4 and Legal Size Multifunction Printer (MFP)

1.

Product Verification	At the time of delivery, the Seller shall provide the Original Equipment Manufacturer website link along with the device serial number corresponding to the supplied product. The serial number shall be clearly indicated on the product. The Buyer or Consignee shall be able to verify complete product details, including configuration, through the Original Equipment Manufacturer website without the need to create a user account.
Warranty	1. The Seller shall provide a valid Warranty Certificate or Warranty Tag, in physical or digital form, issued by the Original Equipment Manufacturer, at the time of supply. The warranty shall be verifiable through the Original Equipment Manufacturer official website and or authorised customer care centre. 2. The warranty shall remain valid for the specified number of years or until the printer reaches the Original Equipment Manufacturer defined minimum number of prints during the warranty period, whichever occurs earlier. Upon reaching either of these limits, the warranty coverage shall automatically cease. 3. The Buyer may verify the actual number of prints completed by the printer at the time of delivery to confirm that the product has not been previously used. Such verification may be carried out using the printer’s in-built print counter or any other Original Equipment Manufacturer approved mechanism.. 4. The warranty shall not cover consumables, including but not limited to cartridges, toner, ink, developer, and similar consumable items.
Operating System Supportability	1. Products offered under this category shall support at least the Latest-2 versions of the operating systems specified in the catalogue. 2. If compatibility with an operating system version earlier than Latest-2 is required, the Buyer may specify the same under the “Additional Specification Parameter” section at the time of bid creation.
