1. The minimum average annual financial turnover of the bidder during the last three years, ending on 31st March of the previous financial year, should be as indicated above in the bid document. Documentary evidence in the form of certified Audited Balance Sheets of relevant periods or a certificate from the Chartered Accountant / Cost Accountant indicating the turnover details for the relevant period shall be uploaded with the bid. In case the date of constitution / incorporation of the bidder is less than 3-year-old, the average turnover in respect of the completed financial years after the date of constitution shall be taken into account for this criteria.
2. Experience Criteria: In respect of the filter applied for experience criteria, the Bidder or its OEM of the product offered in the bid {themselves or through reseller(s)} should have regularly, manufactured and supplied same or similar Category Products to any Central / State Govt Organization / PSU for number of Financial years as indicated above in the bid document before the bid opening date. Copies of relevant contracts and delivery acceptance certificates like CRAC to be submitted along with bid in support of having supplied some quantity during each of the Financial year. In case of bunch bids, the category of primary product having highest value should meet this criterion.
3. OEM Turn Over Criteria: The minimum average annual financial turnover of the OEM of the offered product during the last three years, ending on 31st March of the previous financial year, should be as indicated in the bid document. Documentary evidence in the form of certified Audited Balance Sheets of relevant periods or a certificate from the Chartered Accountant / Cost Accountant indicating the turnover details for the relevant period shall be uploaded with the bid. In case the date of constitution / incorporation of the OEM is less than 3 year old, the average turnover in respect of the completed financial years after the date of constitution shall be taken into account for this criteria.
4. Estimated Bid Value indicated above is being declared solely for the purpose of guidance on EMD amount and for determining the Eligibility Criteria related to Turn Over, Past Performance and Project / Past Experience etc. This has no relevance or bearing on the price to be quoted by the bidders and is also not going to have any impact on bid participation. Also this is not going to be used as a criteria in determining reasonableness of quoted prices which would be determined by the buyer based on its own assessment of reasonableness and based on competitive prices received in Bid / RA process.
5. Past Performance: The Bidder or its OEM {themselves or through re-seller(s)} should have supplied same or similar Category Products for 80% of bid quantity, in at least one of the last three Financial years before the bid opening date to any Central / State Govt Organization / PSU. Copies of relevant contracts (proving supply of cumulative order quantity in any one financial year) to be submitted along with bid in support of quantity supplied in the relevant Financial year. In case of bunch bids, the category related to primary product having highest bid value should meet this criterion.

**Special terms and conditions-Version:9 effective from 30-09-2026 for category Entry and Mid Level Desktop Computer**

1. **1. Category Specification / MeitY Model Technical Specification / ATC Restrictions**
   The category has been created in accordance with the Model Technical Specification issued by the Ministry of Electronics and Information Technology (MeitY) vide letter No. W-43/4/2020-IPHW dated 19.08.2024 and is based on the parameters defined therein. Buyers shall not prescribe, through Buyer Added ATCs, any technical parameter, allowed value, particular processor, processor brand, processor manufacturer or other requirement which restricts or overrides the Category Specifications. Clause 2(e) of the GeM General Terms and Conditions (GTC) shall apply accordingly.

   **2. Product Verification**
   Each supplied Device shall bear a unique device serial number or other unique device identifier traceable to the OEM. The Buyer/Consignee shall be able to verify the authenticity of the supplied product including the configuration through the OEM website.

   **3. Requirement of OEM Logo**
   Buyers shall not prescribe a requirement for embossing, engraving, printing or affixing the OEM name/logo on the motherboard or any internal component.

   **4. Operating System - OEM/Publisher Status**
   There shall be no mandatory requirement that the OEM of the offered device should be a Microsoft Device Partner or hold any specific Microsoft authorisation. Where an Operating System other than Microsoft Windows is offered, no specific partner status or authorisation from the concerned Operating System publisher/provider shall be mandated.

   **5. Operating System - Licensing**
   Where Microsoft Windows is supplied, it shall be a genuine, legally licensed and duly activated copy of the Windows edition/version declared in the catalogue, and the licence shall be obtained through a licensing or distribution mechanism authorised by Microsoft. Where any other Operating System is supplied, it shall comply with the applicable licensing terms and conditions of the concerned Operating System publisher/provider, wherever licensing is applicable.

   **6. Operating System - Verification**
   Where Microsoft Windows is supplied pre-installed, the Buyer/Consignee shall be able to verify that the supplied Windows Operating System is genuine and duly activated through the OEM, i.e. Microsoft. A valid digital licence or any other licensing mechanism permitted by Microsoft for the supplied device shall be acceptable. Where any other Operating System is supplied, similar verification of licence authenticity and/or activation status shall be required only where the concerned Operating System publisher/provider provides a device-level or equivalent verification mechanism. Where no such verification mechanism is provided, this requirement shall not apply.

   **7. Operating System - Applicability**
   The requirements relating specifically to Microsoft Windows licensing, activation and verification shall apply where Microsoft Windows forms part of the contracted configuration. Where an Operating System other than Microsoft Windows is supplied, the applicable licensing requirements of the concerned Operating System publisher/provider shall be complied with, and verification of licence authenticity and/or activation shall be required only where such verification is supported by the concerned Operating System publisher/provider.

   **8. Operating System-specific Certification / Compatibility**
   Hardware compatibility certificate prescribed by a particular Operating System publisher/provider may be requested by buyers.

   **9. USB Port Declaration / Higher Interface Standard**

Each physical USB port shall be declared only once under the highest interface capability supported by that port. The same physical port shall not be counted under multiple USB generations/types merely because of backward compatibility. A technically backward-compatible higher-generation version of a prescribed USB/interface standard may be offered where it meets or exceeds the functionality and performance of the prescribed standard and complies with all other Category requirements.

**10. Warranty**
The warranty applicable to the supplied Device shall be as specified/selected in the product and reflected in the resultant contract. The applicable warranty shall be verifiable through the OEM website, OEM customer support facility or warranty certificate/tag provided by the OEM.

**11. Scope of Installation**
Installation requirements, wherever applicable, shall be specified by the Buyer in the bid under the Installation, Commissioning and Testing (ICT) clause. Where installation is stipulated in the bid, the Seller shall be responsible for installation of the complete system and for demonstrating its satisfactory functioning to the Consignee or the Buyer’s authorised representative. In the case of Direct Purchase and L1 Purchase, installation of the computer system by the Seller/OEM is mandatory. Installation shall be limited to the supplied computer system and shall not include supply or installation of separately procurable software such as antivirus software, office productivity software, etc., unless such software forms part of the contracted scope through an appropriate GeM category.

**12. Buyer/Consignee Obligations for Installation**
Where installation is included in the resultant contract, the Buyer/Consignee shall provide reasonable access to the installation location and make available the necessary site infrastructure, including power supply, networking and other site-preparation requirements not forming part of the Seller's contractual scope. Necessary entry/gate passes, where required, shall be facilitated by the Buyer/Consignee.

**13. Acceptance of Supplies**
Before acceptance and generation of CRAC, the Buyer/Consignee may verify, as appropriate, that the supplied device conforms to the contracted specifications, configuration, quantity and warranty requirements and is free from apparent physical damage or defects. The supplied product shall be new, unused and non-refurbished. The Buyer/Consignee may verify the packaging, supplied accessories/documentation, installed operating system where applicable, unique device serial number/identifier, contracted configuration and applicable warranty.

**14. HDD/SSD Storage Retention**
Where required on account of information-security or data-retention considerations, the Buyer may prescribe an appropriate contractual condition under ATCs, in case of procurement via bids, regarding retention of storage media such as HDDs/SSDs used in the supplied device.

**15. Availability of Monitor**
Supply of the monitor shall be governed by the applicable Category parameter relating to "Availability of monitor". Any specifications or requirements relating to the monitor shall apply only where a monitor forms part of the contracted configuration.

**16. Configuration Alteration - Seller**
The configuration supplied shall conform to the configuration offered in the catalogue and resultant contract and shall be supported/authorised by the OEM. The Seller shall not make any alteration or substitution of components which results in deviation from the contracted configuration or affects OEM warranty/support. The machine should be delivered to the Consignee in its original, factory-approved configuration.

**17. Service Escalation Matrix**
The Seller shall provide appropriate contact details and an escalation matrix for warranty/service support to the Buyer/Consignee at the time of delivery.
